## January Meeting Recap

We had a great kickoff to the year with a discussion of what is important to our members and what the UNC should be looking to accomplish in 2016! Among the ideas were:

- More community cleanup events. We have our 1st one of the year scheduled for April 23rd!
- Bringing in DCRA to discuss illegal construction, who to call when things go wrong and navigating the process of working on our homes
- Engaging with business owners in the neighborhood, especially as the Georgia Avenue Main Street gets off the ground
- Continuing our engagement with DDOT and DPW to improve our neighborhood streets
- Having more social events to engage the community. The idea of summer movie nights was brought up.

Other topics included updates on the Park Morton redevelopment, a report on the Mayor's December walk-through and a discussion of why police leadership in our area turns over so often. For full meeting minutes, please go to
